

"Where Membership Matters"

Throughout the month of May, we will be celebrating and honoring Veterans.

From May 1st to May 22nd, you can stop by any of our three locations to purchase a paper flag cutout for \$1.00.

You will have the opportunity to write a soldier's name on it, either in honor or in memory of.

We will display those in our branches.

The credit union will match all of the money raised.

This money will be donated to ARVets.

We will also have American flag debit cards available during this month... for FREE!!!

In addition to matching the flag money raised, the credit union will also donate \$1.00 for each card printed.

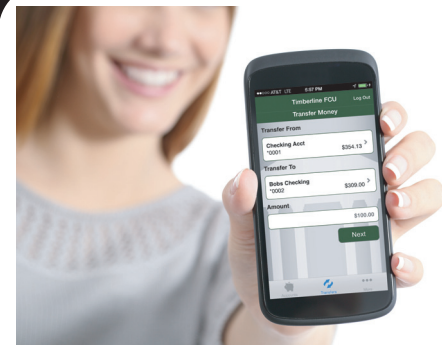

HOLIDAY CLOSING

The Credit Union will be closed
